

Monica's Danz Gym Spring FRUIT Fundraiser 2020

It is time for our annual fundraiser and it is an apple/orange/grapefruit fundraiser! We need each one of you to participate! You can boost your Vitamin C and support our studio at the same time! The sweet navel oranges are from California and the grapefruits are Sweet Texas Pinks, excellent for juicing. They are available in 40 lb boxes and brought to the studio for distribution.

We ask that each family purchase a minimum of ONE Full box of apples, oranges or grapefruits.

You can always share with a friend or a fellow dancer! The MORE the better! What a great way to bring a little sunshine into your home while supporting Monica's Danz Gym!

CONTEST! *The TOP Fundraiser will enjoy a FREE Aerial Danz Party at MDG with friends. Let's see who can raise the most to support the MDG Equipment Maintenance Fund!* Options to participate in this MDG Fundraiser are as follows:
